A 4-man team Stableford competition playing in Better Ball pairs with the scores from both pairs aggregated. Pairs will play in four ball groups with a pair from another club. 85% handicap allowance.

The expectation is that Clubs will enter teams for all for Winter Series events although the players in each event can be different. The DMVGA Committee reserve the right to curtail the competition to a decided number of holes if delays occur and failing light prevents further play.

Players must be fully paid-up members of DMVGA.

Buggies are allowed. Players are responsible for booking their own buggy. Boringdon have plenty to hire. Warren have three but anyone hiring one has to sign a form to state that they have a medical need. Use of personal buggies are also allowed but the medical need form needs signing as above.

PRIZES

All players in the first two teams in each event will win e-vouchers.

Team scores from the four events will be aggregated. The team with the most points will receive the Winter Series Trophy. No prize money is attached to this trophy.
